

GIRLSTEAM

ONLINE!

Warrnambool Art Gallery offers new GirlsTeam sessions. Using the Zoom Platform, each two-part session will introduce a different topic in STEAM (Science, Technology, Engineering, Art and Maths).

Led by Gallery educators, artists and innovators, these sessions support girls to try new things in a supportive and creative environment.

Graphic Design (PART 1)

An introduction to graphic design and illustration with Charlotte Dumesny from Darling Social. Learn about the design process and then complete a fun illustration project.

25 APRIL, 10.30-11.10AM

Graphic Design (PART 2)

Join Charlotte Dumesny and share the projects you have completed with the rest of the group. Talk about what did work and what didn't!

2 MAY, 10.30-11.10AM

Green Screen Fun (PART 1)

Green screens are a tool used by film makers, weather forecasters and photographers to create unique and fun backgrounds. Join Justin Williams as we have fun learning how to use this inexpensive tool and free apps to do some amazing photos and videos.

9 MAY, 10.30-11.10AM

Green Screen Fun (PART 2)

Check out what the rest of the group achieved over the week and share your projects.

16 MAY, 10.30-11.10AM

Girls in STEM Design Challenge (PART 1)

Techgirls Movement presents this fantastic challenge. How could you improve people's lives while practicing social distancing? Identify problems and work on solutions.

23 MAY, 10.00AM-12.30PM

Girls in STEM Design Challenge (PART 2)

Continue working with Techgirls Movement to develop and pitch your ideas. How would you make a prototype? This is also an awesome opportunity to interact with the fabulous Techgirls team.

30 MAY, 10.00AM-12.30PM

Atelier Cartel Architecture (PART 1)

Simon Linardi from Atelier Cartel will introduce you to architectural storytelling, creating drawings and a concept.

Try your hand at designing a house!

6 JUNE, 10.30-11.10AM

Atelier Cartel Architecture (PART 2)

Continue to learn about architecture and this week you will present your designs and receive some feedback. Explore further resources such as the names of famous architects or designers who you might find interesting and inspirational.

13 JUNE, 10.30-11.10AM

Participation is free. Spaces are limited and bookings are essential.
