Dear Parent or guardian,

Your child has been invited to participate in an Academy for Enterprising Girls funded workshop to be facilitated by Tech Girls Movement Foundation, at Warrnambool Art Gallery on 23 & 30 May 2020.

We believe that the entrepreneurs of 2025 are today's students. Now is the time to provide them with the tools they need to take control of their working life and develop an entrepreneurial mindset.

By participating in the program students have gained important enterprising skills and have access to self-paced online modules and additional content in entrepreneurship, design thinking, coding and business skills providing graduates with the skills important to future jobs.

Both photo and video will be recorded at the event to promote the Academy for Enterprising Girls and the importance of youth entrepreneurship skills. Media will be invited to cover this important event to spread the benefits of girls getting access to these important skills.

More information about the Academy for Enterprising Girls and Tech Girls is available on our respective websites www.enterprisinggirls.com.au and <https://www.techgirlsmovement.org/>.

Please complete the attached consent form, and return to your school with permission slips related to attending the program.
